

**Q.1 Is IIE approved by AICTE?**

Ans. IIE is a Professional Institution and does not require AICTE Approval.

**Q.2 Is the TMIIE (DIPIIE/DMIIE)/AMIIE Programme valid in Govt./Pvt./Public Undertaking?**

Ans. It depends upon the employer but they do consider the certification in Govt./Pvt./Public Sector.

**Q.3 Is IIE TMIIE (DIPIIE/DMIIE)/AMIIE is valid for Higher Studies?**

Ans. Yes! Pvt./Govt./University/Institution accept the admission of IIE Students.

**Q.4 Can Student go abroad after getting TMIIE (DIPIIE/DMIIE)/AMIIE Certificates?**

Ans. Yes Ministry of External affairs has certified the certificate of IIE.

**Q.5 Is the IIE Professional Institution under Govt. Authority?**

Ans. No. This is an autonomous body which is managed by professional engineers/working professional/PAMI/MAMI & Foreign Engineers.

**Q.6 Is in India does any professional Institution have approval of AICTE?**

Ans. AICTE approved the syllabus of professional institute like ICE/IME/IE/IEE/IETE.

**Q.7 Why AICTE'S website do not have any professional institution name like IIE, ICE, IME, IETE?**

Ans. IIE & Its kinds of professional institution are not a college or small institute or any professional institute does not require approval of any university. [<Find the Judgement>](#)

**Q.8 Which college/Institute name will be shown in AICTE Website?**

Ans. University approved college/Institute name will be displayed on AICTE website.

**Q.9 Who approved the professional institution in India?**

Ans. Ministry of Human Resources Department approved the professional institution.

**Q.10 Is AICTE give approval to professional institution?**

Ans. Professional Institution follow the syllabus of AICTE.

**Q.11 After getting the certificate IIE's Programme can a chartered Engineer go abroad for Higher Study/Job/Professional work?**

Ans. Yes! Student can go abroad after getting the certificate of IIE certified from Ministry of External Affairs.

**Q.12 Since when professional institution /chartered engineering work was established?**

Ans. From 19th Century.

**Q.13 Is professional institution working only in India?**

Ans. No. Professional Institutions are spread all over the world like

**India**

- Aeronautical Society of India (AeSI)
- Computer Society of India (CSI)
- Institution of Engineers (India) (IEI)
- Institution of Electronics and Telecommunication Engineers (IETE)
- Indian Institute of Chemical Engineers (IIChe)
- Indian Institution of Industrial Engineering (IIIE)
- Society of EMC Engineers (India) (SEMCE(I))

- Indian Society for Technical Education (ISTE)
- Indian Science Congress Association (ISCA)

#### **South Africa**

- South African Institute of Electrical Engineers (SAIEE)
- Engineering Council of South Africa (ECSA)

#### **Bangladesh**

- Institution of Engineers, Bangladesh

#### **Hong Kong**

- International Association of Engineers (IAENG)
- Hong Kong Institution of Engineers

#### **Philippines**

- Philippine Institute of Civil Engineers (PICE)

#### **Pakistan**

- Pakistan Engineering Council (PEC)

#### **Saudi Arabia**

- Saudi Council of Engineers

#### **Sri Lanka**

- Institution of Engineers, Sri Lanka
- Institution of Incorporated Engineers, Sri Lanka

#### **United Kingdom**

- Institution of Civil Engineers
- Institution of Engineering Designers
- Institution of Engineering and Technology
- Institution of Fire Engineers
- Institution of Gas Engineers and Managers
- Institution of Mechanical Engineers
- Institution of Structural Engineers

#### **Q.14 Who is “Indian Institution of Engineers”?**

Ans. Indian Institution of Engineers Incorporated by Govt. of India Under Section 8, Govt. of India Section 8 Licenses No. : 105102. CIN No. – U 80904 DL 2015 NPL 278665.

Students who take admission TMIIE (DIPIIE/DMIIE) or AMIIE of Indian Institution of Engineer, should read and clearly understand all the rules & regulation before taking the membership for student examinations. Our Membership for TMIIE (DIPIIE/DMIIE) or AMIIE are totally autonomous. We hereby make it clear to one and all that the activities like misguiding students if any will never be entertained. If any wrong guidance is done by any person / Student Chapter's / Education Consultant. IIE Institution is not responsible and we hereby advise to student contact their Coordinator.

#### **Q.15 What is AMIIE or DIPIIE-TMIIE-DMIIE?**

Ans. AMIIE is Associate Membership of Indian Institution of Engineers examination that is conducted by Indian Institutions of Engineers. AMIIE is a professional engineering degree certification provided by IIE. DIPIIE-TMIIE-DMIIE is an engineering diploma certification provided

by IIE. It is an alternative option for those who cannot pursue for an engineering degree or diploma course as a regular student in an engineering college.

**Q.16 Is an AMIIE degree or DIPIIE-TMIIE-DMIIE diploma equivalent to Engineering Degree or Diploma?**

Ans. An AMIIE degree or DIPIIE-TMIIE-DMIIE is equivalent to any other engineering degree or diploma approved by Central Government Departments, UPSC, SSC, AICTE or any other engineering degree approved by state governments. After completing AMIIE degree or DIPIIE-TMIIE-DMIIE diploma, the candidate can also opt for higher studies such as bachelor's degree after diploma or master's degree in engineering after AMIIE. The candidates are also then eligible to work with any private or government organization as per their respective field of specialization.

**Q.17 What is IIE?**

Ans. IIE is a multi- disciplinary engineering organization that provides a platform to promote professional studies in approximately 50 disciplines of engineering.

**Q.18 What is the advantage of AMIIE or DIPIIE-TMIIE-DMIIE over a regular Engineering Course?**

Ans. A person who is working can study this course without affecting their job. The person may be employed in India or Abroad but wishes to pursue the engineering degree and improve their position and future prospects by passing examinations.

**Q.19 What are the age criteria for a candidate to be elected as a Member?**

Ans. The candidate should be 16 years of age on the date of application.

**Q.20 Where is the IIE Examination conducted?**

Ans. Examination is conducted in 119 centres in India and abroad. A candidate may appear at any of the centers according to his preference by mentioning the exam centre code of the desired centre in the examination form.

**Q.21 Who is eligible to take IIE exam?**

Ans. The IIE exam may only be taken by the members of the Indian Institution of Engineers according to their eligibility and qualifications. To appear for AIEEE, the candidate should be the member of IIE (Associate Member or Technician/Diploma membership), depending upon stream respectively. To obtain IIE membership, the candidate may contact us directly via Call ,WhatsApp or Mail.

**Q.22 What is the duration of each IIE exam?**

Ans. The duration is 3 hrs. for an IIE exam.

**Q.23 Is a degree holder eligible for the entrance exams required for admission into further post-graduation programs and civil services?**

Ans. An AMIIE degree holder is eligible for taking examinations like GRE, GATE, Civil Services and Indian Engineering services.

**Q.24 When is the IIE examination held during the year?**

Ans. The IIE examination is held mostly twice a year. It is conducted mostly in June and December and is termed as summer and Winter Examination respectively.

**Q.25 What is the syllabus of AMIIE or DIPIIE-TMIIE-DMIIE?**

Ans. The syllabus for AMIIE is almost similar to that of B.E. or B.Tech. The syllabus has two parts, called Section A and Section B. First, Section A should be cleared and then Section B. Similarly

DIPIIE-TMIIE-DMIIE is almost equivalent to Diploma Engineering. The syllabus has two parts, called Part 1 and Part 2. Part 1 should be cleared and then Part 2.

**Q.26 What are Section A and Section B of AMIIE syllabus and Part 1 and Part 2 of DIPIIE-TMIIE-DMIIE?**

Ans. Section A or Part 1 consists of fundamentals of Engineering where as in Section B or Part 2 the candidate has to select one of the branches of Engineering available.

**Q.27 Where is the exam application form submitted?**

Ans. The Exam application form is submitted in the prescribed format to the IIECENTRE. Post Box -682019 , QAF tower ,48/1988;B2,Chalikkavattom Road, Ponnuruni East, Vytilla, Kerala, India.

**Q.28 What is the duration of completion of AMIIE or DIPIIE-TMIIE-DMIIE?**

Ans. IIE provides flexibility of duration for completion of Academic Membership. A candidate may take up to 6 years for the completion of all the subjects in Section A or Part 1 another 6 years for the completion of Section B or Part 2.

**Q.29 Is AMIIE or DIPIIE-TMIIE-DMIIE a computer based exam?**

Ans. AMIIE or DIPIIE-TMIIE-DMIIE is a written type where there is no Viva, no internal assessment and no Practical exam.

**Q.30 What is the AMIIE or DIPIIE-TMIIE-DMIIE exam pattern?**

Ans. Each AMIIE exam paper is of three hours of duration. The exact dates and the details of the examination will be available on our website: [www.iiecentre.com](http://www.iiecentre.com)

**Q.31 Who is the responsible authority for IIE exam?**

Ans. Indian Institution of Engineers, conducts exam and issues certificates. The IIE Institution is not involved in the preparation for the exams.

**Q.32 Are the application forms for Academic Membership available online?**

Ans. The application forms for Academic Membership are available on our website: [www.iiecentre.com](http://www.iiecentre.com)

**Q.33 What is the examination fee for Academic Membership? What is the mode of payment?**

Ans. The payment details and mode of payment will be explained in detail by our educational counsellor. For live interaction with our educational counsellor connect to them via Call, WhatsApp or Mail. For more information visit our website: [www.iiecentre.com](http://www.iiecentre.com)

**Q.34 Is it possible to take Academic Membership exam in Hindi?**

Ans. The candidate can take Academic Membership exam in Hindi medium, provided the candidate has passed in Hindi medium. Then both the sections, have to be taken in Hindi. IIE mentions that the candidate has passed in Hindi in the final certificate.
